Subject T. all ce to Dr P.S.

Achyuta Dor for the journey performed to Attikhan and back to attend Mr Morris an opulent planter.

Letter No 4. 79 d. 15 th
August 1903 from the Senior
Surgeon and Sanitary Commr
with the Govt of Mysore

In April 1903, Dr P.S.
Achyuta Dor attended upon
Mr Morris an opulent
planter of Attikhan under
the orders of the Senior
Surgeon, Col Benson. He
claims travelling all ce for
the journey performed in
consequence, from Mysore to
Attikhan and back. The
Comptroller objects to pass
the claim on the ground that
the journey performed is not
an duty within the meaning
of

of an 531 of the Mysore Service Reg^{ts}.
 Dr Achyuta Rao contends that he did
 not attend upon the patient either
 of his own accord or at the request
 of the patient but under the order
 of his official Superior, the
 Senior Surgeon and as such he
 is entitled to the travelling allow^{ce}
 for the journey performed. The offg
 S. Surgeon now submits the whole
 matter to Govt for order and states
 as his opinion that Dr Achyuta Rao
 may send his bill to the patient who
 should pay the usual fee covering advice
 and travelling expense. Even then it
 is subd^d there remains the question as
 to how to treat the period from 1st to
 4th April 1903 occupied by Dr P. S.
 Achyuta Rao in journey and attendance
 upon the patient. This may perhaps be treated
 Sub^d for order. as casual leave as suggested by the
 Offg Senior Surgeon.

must I think be treated as on duty.

I am of opinion that an order
as follows may be proposed:-

" Under the special circum-
stances of the case the allowance
claimed is sanctioned - Govt.
agree with the Offg. Medical Surgeon,
and accordingly direct that
in future, ~~such~~ ^{otherwise than in public} journeys should
not be undertaken at Govt.
Expense - ~~the~~ ^{Medical} Officer visiting
a patient within his jurisdiction
will not however be reported
as absent from duty if
his visit is certified by the
Head of his Dept. as really
called for - "

Some such order as the
above seems necessary, as
otherwise a District or ^{or District} Medical
Officer would be useless to
the Dept. of his District or ^{or District} ~~or District~~
who cannot attend the
head quarters. - C.

NO. G. 79

Sir,

In forwarding the accompanying file regarding the tra-

velling allowance of Civil Surgeon Dr. Achyuta Rao, which has

been objected to by the Comptroller (his ^{Memo} No. 2 dated 2.7.03

herewith sent), I have the honor to state that I can find no

rules to guide me in deciding the case.

2. Dr. Achyuta Rao went to see Mr. Morris, an *officer* planter, by order of the Senior Surgeon. He *sent* in his travelling allowance bill which is objected to by the Comptroller as the work performed did not come under the head of duty from the Comptrollers point of view.

3. I have stated my view of the matter in my No. 150 dated 15.7.03 to the Civil Surgeon Viz- that the journey was wholly a private one notwithstanding the order of the Senior Surgeon & the ideal course to pursue would be that, the Civil Surgeon should have taken casual leave and charged the *patient* the usual fee for such service. I say, I regard this as the ideal course to pursue, but I think it would be sufficient for the Civil Surgeon

2

Surgeon, seeing that he had not only the Senior Surgeon's permission but his order to go to see the patient, to send his bill to the patient who should pay the usual fee *Covering advice* and travelling expense.

I bring the matter before Government for favour of their decision and for the information of the Comptroller, who, as I have said, has objected to the travelling allowance bill.

I have the honor to be,

Sir,

Your most obedient servant
